Creating a Culture of Agile Leaders

Keynote speaker

Bill Joiner
Founder & CEO
Changewise

The globalized economy and the spread of connective technologies force the pace of change and the degree of complexity to shift for organizations to an entirely new level. To enjoy sustained success in this turbulent environment, organizations in all sectors need to develop a level of agility that matches this unprecedented level of change and complexity.

Panel speakers

Spyros Papaspyrou
Deputy Managing Director
Piraeus Bank

How is an agile leadership culture created?

Bill Joiner, the award-winning author of Leadership Agility and a sought after international thought leader on the new levels of leadership needed for today's world, will lead you towards creating an agile leadership culture in your organization.

Evangelia Pateraki
Country Director
Amgen Hellas

And what is the correlation between the agility level of your leadership culture and your business performance?

This will be answered from the results of the **"2012 CEO Viewpoint on Leadership Agility"**. For the first time in Greece more than 100 CEOs have assessed the importance of agility to their organizations' overall business success.

Manos Raptopoulos
Managing Director
SAP Hellas

Panel Discussion
